

Testimonials

"Mr. Bernard Daisley, CEO of MMC expertise, advice and knowledge of building codes was very helpful as my firm sought to complete a very difficult project in the heart of upper Manhattan. I truly don't think we would have completed successfully without him.

He is a consummate professional and courteous as you will ever find.

*Richard A. Smith, Assoc. AIA
Temple Builders LLC*

"I highly recommend Mr. Daisley for his knowledge and expertise in various aspects of construction management matters. He brings a wealth of experience to bear on very complex construction matters. He capably assists to de-construct and simplify thorny issues in complex construction litigation matters and is a wonderful "arsenal" in any contentious construction-related litigation matter. On Management of construction projects, Mr. Daisley is the best resource, as he gets the job done and has the demeanor to work with various competing interests."
